Strawberry Dessert Trio

Three real desserts built around fresh strawberries, made for the days you want something sweet and don't want to undo your progress to get it.

Strawberry Season Desserts

Each option lands 260-310 cal with 20g+ protein

Pick one after dinner, after a shift, or pack one to go when the craving hits.

Strawberry Shortcake Yogurt Parfait

280 cal · 24P / 30C / 6F

INGREDIENTS

Serves 1

- 1 cup (150g) fresh strawberries, sliced
- 3/4 cup (170g) plain nonfat Greek yogurt
- 1 tbsp honey
- 1/4 cup (30g) crumbled angel food cake or vanilla wafers
- 1 tsp vanilla extract

HOW TO MAKE IT

5 minutes, no cook

- Stir vanilla extract into Greek yogurt until smooth
- Layer yogurt, sliced strawberries, and cake crumbs in a glass, repeat once more
- Drizzle honey over the top and serve right away

Strawberry Cheesecake Protein Mousse

310 cal · 28P / 18C / 12F

INGREDIENTS

Serves 1

- 1/2 cup (115g) light whipped cream cheese
- 1 scoop (30g) vanilla protein powder
- 1/2 cup (85g) strawberries, diced small
- 2 tbsp (30ml) unsweetened almond milk
- 1 tbsp (7g) graham cracker crumbs, for topping

HOW TO MAKE IT

8 minutes, no cook

- Whip cream cheese, protein powder, and almond milk together until fluffy
- Fold in half the diced strawberries
- Spoon into a small dish, top with remaining strawberries and graham crumbs, chill 10 minutes if you have it

Chocolate-Dipped Strawberry Protein Bites

260 cal · 20P / 24C / 10F

INGREDIENTS

Makes 6 bites

- 12 medium strawberries, hulled and halved
- 1/3 cup (60g) dark chocolate chips (60% cacao)
- 1 scoop (30g) vanilla protein powder
- 1 tbsp (15g) coconut oil
- Pinch of sea salt

HOW TO MAKE IT

15 minutes, chill 20

- Melt chocolate and coconut oil together in short microwave bursts, stirring between
- Whisk in protein powder and sea salt until smooth and glossy

- Dip each strawberry half in the mix, set on parchment, chill in the fridge until firm

From Coach Team

Pick one of these and let it be the whole dessert, not a starting point. If you're logging, measure the Greek yogurt and cream cheese with a scale once so you know what a real portion looks like in your bowl, then you can eyeball it after that. The chocolate bites hold in the fridge for about 4 days, so make the batch of 6 and portion them out ahead of a busy stretch.
